With the coming of the space age, it is becoming more and more difficult to find an ideal paradise of one's dreams.

We, the Cardinal Staff feel that the South Seas with its towering mountians, blue waters, and colorful people with exotic customs comes closest to fulfilling this dream.

This primitive paradise is one of the few places untouched by automation, where life is simple yet fulfilling.

We hope that each and everyone will find his own UTOPIA.

*We Dedicate the '63 Cardinal*

*To Mr. Chudleigh Long*

Play it, man!

Get up there . . . you . . . !

Amen!

**The 1962-63 Cardinal is honored to dedicate this annual to a man who has contributed much to the furthering of education at Covina High School.**

**He was born and raised in Philadelphia, Pennsylvania. He attended high school at Episcopal Academy, in that same city and then served in the Navy during World War II. After the war, he received his degree from Wesleyan University Ohio, his major being English, his minor History.**

**He taught his first year in Ohio, and his second in Colorado. After teaching at Pasadena High School for two years, he came to Covina where he has taught English for six years.**

**He lives in Glendora with his wife Lorena and his four daughters, Melinda, Lani, Lori, and Lisa. He enjoys reading, sailing, folk music, and banjo playing.**

**We, the Cardinal Staff, dedicate this book to our own five-fingered banjo player, Mr. Chudleigh Long.**

*Dr. Eugene E. Kelly*

A.B., M.A., Ed.D., Colorado State College

This is the second year at Covina High for our new principal, Dr. Kelly. His general personality and enthusiasm is reflected in the excellent spirit of our school. His keen interest in providing the best possible educational program for each student has helped us attain a higher level of accomplishment in our academic work, while his cooperation with us in student body activities has helped us attain a more mature participation. We, the students, look forward to an even better Covina High by working with such a conscientious leader. Good luck, Dr. Kelly.

The real proof of leadership is in the excellence of the staff. Mr. Nottingham, vice principal for instruction, who works for the development of better facilities and ways of teaching and Miss Linsdell, vice principal for counseling and student affairs have contributed much to improving the ways in which the school helps us.

Mr. Haven, Dean of Boys and student body advisor and Miss Key, Dean of Girls have helped us over many a difficult problem by their mature guidance and warm understanding.

As most Covina High Students know, the CARDINAL is a year long project. The Staff works during the summer, before and after school, and during G.H.R. Period as well as during the assigned class period. There have been a number of changes this year. The price has been reduced from \$5.50 to \$4.50 so that more students could afford to purchase the book.

# Cardinal

The Cardinal and White, the eight-page newspaper published bi-monthly, was responsible for keeping the student body informed of all activities on campus. Hard work, after school hours, effort, and the direction of advisor Mr. Roche and Editor Jill Ellings, went into making the C&W a top-notch paper.

In order for the paper to operate with systematic timeliness, organization was the key. Each editor was in charge of a special section. Responsible for the front page and news coverage was Phyllis Heffner, who took care of all the spot coverage and stories of direct news

Girls attending Covina High automatically become members of the Girls' League, which helps to instill school spirit, friendliness, loyalty to the school and an active interest in school affairs. Girls' Leagues' many activities include the Motto of the Year contest, the All Girl Review, Thanksgiving and Christmas projects, the Valentine Ball, and the Senior Mother's Tea.

Two representatives are elected from each class by the girls of CHS along with a president, vice-president, secretary, treasurer and assistant treasurer. This year, because of a tie vote, however, there were two co-presidents. In addition to the elected board there are twenty appointed officers to carry on the vast amount of work done by the Girls' League.

## Esquires

The Esquires, as a Junior-Senior boys' service club accomplished worthwhile projects during the year of benefit to the school as a whole. Outstanding upperclassmen were chosen for the club who devoted their joint efforts in improving the appearance of the Covina High campus. In accomplishing this worthwhile objective of the club such projects as repainting the campus trash cans, and furnishing a guide map of the campus layout for the convenience of the student body. The Esquires also helped co-sponsor the all-service-club dance at the beginning of the year, and sold red hats both to raise needed funds and to promote school spirit.

## Alcyonians

The first and most popular girl's service club on campus is the Alcyonians. Activities of the club included decorating the goal posts at games, sponsoring a yearly dance, holding a tea, decorating and serving at sports' banquets, and changing the school bulletin boards regularly.

As special service projects in the community they made gifts for the children's hospital, in addition to sending flowers to the hospital every week, and gave baskets of food to needy families on holidays.

As some of their money projects they sold programs at games and also cardinal covers towards the end of the second semester. They also put on the annual homecoming rally and served as guides for various school functions.

The purpose of Alcyonians is to encourage school spirit, to develop the character of the club members, to serve the school unselfishly and to set a good example of conduct.

Wycaipians is a school service club for Freshmen, Sophomore and Junior girls. Qualifications for membership included service points, citizenship, satisfactory grades, and a cooperative personal attitude. Through group activities it provides a supplement to regular school work, stimulating and promoting school and community spirit and welfare.

Service projects included featuring an outstanding girl every month, honoring a Girl of the Year, and doing community projects such as donating food baskets to needy families and gift projects for children's hospitals. In addition, they assist in library service, and usher at various school functions. In order to purchase a liberty bell as a gift to the school, the club promoted bake sales and sold pencils, class pennants and first-aid kits. A Wycaipian tradition every year is to honor an outstanding member each semester as Wycaipian of the Semester.

## Seraphs

Seraphs are members of the boys' service club for Freshmen, Sophomores, and Juniors. The Seraphs strive to promote school spirit and good conduct, and to serve the school unselfishly in any way they can. To achieve these objectives the club ushered at rallies, parked cars at football games, enforced the white section, covered identification cards in plastic, and helped sponsor the all-service club dance at the beginning of the year. In addition, they also sold hats and programs at games. A high record of citizenship and a good scholastic standing are required for admittance into the club.

# Operetta

With the excellent accompaniment of the CHS orchestra, this year's Operetta was admirably presented in two subsequent performances. "H.M.S. Pinafore" or "The Lass That Loved A Sailor" was the fifth operetta to be presented in ten years, and one of the most successful due to the combined efforts of cast, chorus, staging and orchestra. After four months of practice, the cast along with an excellent group of understudies, enacted the comic stage opera.

It took place aboard "Her Majesty's Ship" and involved the usual love triangle between two suitors of opposing naval ranks and the Captain's daughter. Song and gleeful complications end with the Finale of a sudden reversal in social status and the permission of Josephine (the Captain's daughter) to marry the man of her choice. The Operetta, put on by the choral department, is produced every two years.

## *Concert Orchestra*

The Concert Orchestra is outstanding for its fine demonstrations at both the annual Mid-Winter Concert and the Spring Concert. This select group of musicians also took part in the Regional and Whittier District Band festivals.

## *Concert Band*

The Concert Band was active in numerous competitive meets, including USC where twenty-three other bands participated, and received superior and excellent ratings at both the Whittier District Band festival and the Regional festival.

## Stage Band

The Stage Band, formally referred to as the dance band, performed at a number of school functions including both the Boy and Girl Reviews, and the Senior Mother's Tea, as well as for the PTA and off-campus clubs. They also competed in the Battle of the Bands festival, their ultimate goal being a performance at the Hollywood Bowl.

## Pep Band

The Pep Band promoted school spirit at away football games, home basketball games and pep rallies. The band group also entertained at the PTA Open House.

## Band and Orchestra Council

Coordinating all the various band orchestras and directing assembly program band participation is the job of Band and Orchestra Council. These "band administrators" are in charge of band finances, set down governing rules and, in general, serve as mediators between band boosters and the band directly.

# Band

The CHS Marching Band, probably the most prominent band group on campus, represents the school in parades, at home football games and also at away games on invitation. Their performances at the West Arcadia Band Review, Long Beach All Western Band Review, and LA State were all successful. These achievements and others were possible because of the leadership of Ron Applegate and Ron Baird, and direction of Mr. Greene.

# Drill Team

The Rythemettes have been a vital contributing force in the spirit of Covina High. Led by Sally Skinner, Drum Major, Linda Ribal, Assistant Drum Major, and Elaine Esenwine, President, and directed by Miss E, the Drill Team fought their way to prized victories, first in the large Arcadia Invitational Parade and Covina's own Christmas Parade. Besides being one of the highest rated Drill Teams in Southern California, they have inspired their own Covina High's spirit in performances at many events including football and basketball games.

## Varsity Songleaders

LA VON STUART

Vivaciously leading the Colts in spirited performances are our engaging songleaders. Led by Margee Salisbury and supported by Cyndi Patch, Suzy Perry, LaVon Stuart, and Toni Trandem they make a pert ambitious unit. Larry Young and Rick Sandquist were the Bee captains.

The Bees were by far the top team in their league. They not only won the league championship but they did so without being beaten or even tied. A terrific balance between their powerful offense and their bruising defense was the key to success. Coach Moore, assisted by coach De Weese, were also factors in their victorious season. Frank Blazeck, chosen most valuable, and Don Smith, chosen most improved, were only two of the Bees many fine football players. Many of this years team will move up to varsity next year which will help strengthen that squad.

## Senior Class Council

Most likely the busiest class council division of the four classes was, of course, the senior class. Besides promoting school spirit, the council's purpose is to benefit the school through service.

A major project of this type was making worthwhile improvements on the senior quad. They also sponsored a soc-hop and a bake sale, before concentrating directly on the special senior activities. Starting with the senior play, these included the Senior Mothers' Tea, the Senior Prom, Commencement and Baccalaureate, ending with the traditional All-Night Party.
